Important Notes:

- It is the Owner/Agent's responsibility to secure all pertinent information regarding inspections. This information is contained within the Township Building Packet and also listed on the reverse of the Permit Display Card. Final inspection are required for all construction, and structures may not be occupied or utilized until the final inspection.
- All Building Permits expire six (6) months from date of issuance unless work has commenced and are valid for no more than five (5) years from issue date. Expired Permits require new Permit issue before commencement of construction, occupancy and/or use.
- No Certificate of Occupancy will be issued until the "911" House and/or Street signs are in place, as per Township Ordinance

I certify that all of the above information is true and that I have read all of the above Important Notes and understand that any violations will be subjected to legal proceedings and possible fines not to exceed \$500.00 per day.
